## Auction Coordinator

*I joined the company in 2014 as Yard Staff, I then became an Equipment Inspector in 2018 and have now been working as a Auction Coordinator in Germany since 2020. As an Auction Coordinator no two days the same, every day varies between customer support, sequencing assets, reviewing and doing inspections and making brochures.*

*What makes Ritchie Bros. unique is the amazing team I am working in – working with my colleagues is exciting, educational and fun everyday.*

*When you buy equipment via Ritchie Bros., you're looking at a global marketplace and I don't think there is another auction company that can offer that same reach. Using robust data and innovative marketing, we find the most motivated buyers from around the globe so we can get the best returns for our customers.*
